- c. Continue the air war over North Korea, since this is providing excellent combat training for Chinese Communist pilots without damage to Chinese installations.
- d. Use the Asian peace conference to state Chinese government views.
- e. Avoid becoming deeply involved in the prisoner of war exchange problem, since the United Nations hold few (sic) Chinese Communist prisoners.
- f. Entrench the Chinese Communist Army in Korea while keeping the North Koreans busy.

50X1-HUM

1. Comment. This is possibly a reference to the Soviet-sponsored peace offensive 50X1-HUM

2. Comment. A preparatory committee meeting for the Asian and Facific peace conference was called by the Chinese Communists for 28 May according to a press dispatch.
